### Thailand Study Tour on HVAC&R Technology 20-26 August 2009

- Jointly organized by:** ASHRAE HKU, CityU, PolyU and HKUST Student Branches
- Supported by:** ASHRAE Hong Kong Chapter
- Background:** In August 2009, the ASHRAE Region XIII Chapters Regional Conference will be held in Bangkok, Thailand. This study tour is arranged to allow the students in Hong Kong to attend the conference and to carry out technical and academic visits and exchanges. Successful study tours to Malaysia, Taiwan and Philippines were organized in 2006-2008.
- Objectives:** The objectives of this study tour are:
- To study the culture and social-economic development of Thailand
  - To enable the students to develop knowledge and skills in advanced HVAC&R technology, building environmental design and creative thinking
  - To promote international cooperation, cultural exchange and mutual understanding in Asia
- Dates of the Study Tour:** 20-26 August 2009 (Thu-Wed) (7 days)
- Destination:** Bangkok, Thailand
- Eligible persons:** Full-time undergraduate or postgraduate students of HKU, CityU, PolyU and HKUST who are current ASHRAE student members or applying for membership.
- Number of participants:** Total 15 students
- Proposed itinerary:** (subject to change)
- 20 August 2009 (Thu) Depart Hong Kong to Bangkok
  - 21 August 2009 (Fri) Attend the Chapters Regional Conference of ASHRAE Region XIII and meet with university students and professionals
  - 22 August 2009 (Sat) Visit to local universities and research institutes
  - 23 August 2009 (Sun) Cultural exchange and visits
  - 24 August 2009 (Mon) Technical visit to building projects & govt. department
  - 25 August 2009 (Tue) Technical visit to factories & plants
  - 26 August 2009 (Wed) Depart Bangkok to Hong Kong
- Requirements:** This study tour is partly subsidized by the Hsin Chong – K.N. Godfrey Yeh Education Fund for Joint Student Projects and the ASHRAE Hong Kong Chapter. Each student shall pay HK\$2,500 which is about 40% of the actual expenses.
- The participants are expected to play a proactive role in the study tour. They are required to contribute to the pre- and post-tour activities including preparation meetings, event designs, tour arrangement, seminars and presentations.
- Certificates:** Appreciation certificates will be presented to the participants who have successfully completed the study tour. This will show their achievement and commitment to professional development.
- Application method:** Complete application form and send it through email to “[studytour@ashrae.org.hk](mailto:studytour@ashrae.org.hk)” **on or before 28 February 2009 (Sat)**. You will be asked to submit a cheque HK\$2,500 (payable to “ASHRAE Hong Kong Chapter”), photocopies of HKID card and passport if your application is successful.
